

**RAMW Spring Wine Fling March 26 – April 1, 2018**

*We are offering two flights for this Spring's RAMW Wine Fling, a European and a West Coast Wine flight. Both flights are examples of wines you should be drinking during the spring season in our nation's capital. These wine flights, and our other wine flights are opportunities to challenge one's palate and to see what one enjoys. Our philosophy for our wine list is to try to have something for everyone and introduce guests to new tastes.*
