FEATURED WINES

The Coravin Wine System uses transformational technology that allows us to pour any of our by the bottle wines by the glass, without pulling the cork, with no oxidation. Servings are five oz a glass.

2015 Pahlmeyer "Jayson" Chardonnay Napa, California

Winemaker notes: "Luminous gold in color, this wine presents fresh and bright aromatics of neroli and honeysuckle, grounded by notes of stone fruit and vanilla bean. A silky, viscous mouthfeel supports the bursting flavors of melon and citrus. The long, mouthwatering finish has bright acidity with lingering grapefruit peel flavors and a hint of minerality."

18 a glass / 90 a bottle

***2016 Littorai, Pinot Noir, Sonoma Coast, California**

One of Slate's owners favorite winery. Ted Lemon, owner/winemaker, is a legend when it comes to Pinot Noir and California wines. Sustainable Farming and Winemaking at Littorai Wines Littorai's tasting room is as "green" a facility as they come. In addition to using straw bales, the facility uses solar power and is designed to maximize energy efficiency on every level. Littorai is also committed to a minimalist approach to winemaking, intervening as little as possible and using as few chemicals as possible. Notes of rhubarb, cocoa, Rome apple and ripe cherries lead to a supple palate with moderate tannins and excellent acidity.

30 a glass/ 150 a bottle
